2013 The trip of Arizona

Study abroad at the University
of Arizona in 2013

Although we are reluctant to be part,
our friendship will last forever.

Time flies, and we finish the 41 days in a flash.
Although we get along with each other in a short period,
we will meet together again.

The beauty of Arizona

We learned a lot of interesting things from TEP.

ARIZONA TUESON

*I always knew looking back
on the tears would make me laugh,
but i never knew looking
back on the laughters would make me cry.*
